County Road 714 Widening Project

FM#: 230978-2-52-01

MEDIAN CONSTRUCTION BEGINS OCT. 7

Beginning October 7, 2015, construction of the median along CR 714 from west of the Turnpike entrance to just east of Berry Avenue / Old Palm City Town Square will be underway. Motorists will no longer be able to freely turn through the median along this portion of CR 714. In addition to the signalized intersections, median openings will be at the following locations:

- Armellini Avenue
- Hidden Oaks Middle School Western Entrance
- Isleworth Circle

This work is part of the \$15.72 million County Road 714 widening project that includes adding one lane in each direction and constructing a raised median with access points throughout the corridor. Additional improvements include: constructing an eight-foot sidewalk and a five-foot bike lane on both sides of the roadway; drainage improvements; sound wall installation at Sunset Trace; replacing the box culvert at Danforth Creek; and signage, signalization, landscape and lighting improvements. This project is anticipated to be completed in fall 2016.

For more information, please contact Kathleen Dempsey, Project Public Information Officer, at 772-359-5118, kdempsey@corradino.com, or log onto www.d4fdot.com for current project information on FDOT construction in the Treasure Coast.
